BAHEP welcomes Cyber One Solutions, LLC

BAY AREA HOUSTON, TEXAS – In today’s climate of highly advanced technology, when a company’s internal network or internet connection goes down, business as usual grinds to a halt. Cyber One Solutions’ mission is to avert this kind of scenario through its “One Stop IT Shop” services. Cyber One Solutions, LLC has recently become a member of the Bay Area Houston Economic Partnership.

BAHEP President Bob Mitchell stated, “Information technology has become critical to the smooth operation of business. Cyber One Solutions, LLC provides a wide range of services for businesses of all sizes. We welcome CEO Brian Carrico as a new member and look forward to his participation in BAHEP’s activities.”

Carrico responded, “BAHEP is known for the great work it does on behalf of all the industries in the region, and we felt that it was important to be involved in the work of supporting our community. Cyber One Solutions also has a commitment to excellence, which means that we’ll do whatever it takes to ensure that you receive the best IT strategy and technical services available anywhere.”

Carrico detailed his company’s services explaining, “Since our inception, Cyber One Solutions has helped companies large and small throughout the greater Texas region manage their complex IT infrastructures through smart planning, execution and management. We pride ourselves on

being a “One Stop IT Shop”, tailored to meet companies’ intricate IT needs through our innovative managed services.

“Our solutions include strategic IT consulting, on-site or cloud-based IT management, our 24 x 7 x 365 help and support desk, cloud services, web and mobile solutions, telecommunication services, and emergency IT support. We are one of the nation’s leading managed service providers (MSP) with experienced certified technical engineers and an IT support staff ready to provide you with technology management and consultancy services to help your business continue to grow and thrive.”

Cyber One Solutions, LLC can be found at 1100 E. NASA Parkway, Suite 101, Houston, Texas 77058. Visit its website at www.cyberonesol.com or call 281.672.8035. You can email info@cyberonesol.com, as well, for additional information.
