## **BAHEP welcomes Elite Care 24/7 ER – League City**

**BAY AREA HOUSTON, TEXAS** – The board-certified, highly-trained ER physicians at Elite Care 24-hour Emergency Room in League City offer all of the expert care services found at a traditional hospital emergency room but with very short wait times of 10 minutes or less. Elite Care 24-hour Emergency Room in League City has become one of the newest members of Bay Area Houston Economic Partnership.

BAHEP President Bob Mitchell commented, “Healthcare is moving more into the outpatient sector in order to provide care closer to where people live. Elite Care 24-hour Emergency Room in League City provides a valuable service to a community that has over 100,000 residents and is rapidly growing.”

Gloria Greene, Business Development and Marketing Director, Elite Care 24-hour Emergency Room in League City, said, “Since 2011, we have offered the expert care that one would expect to receive at a hospital emergency room with wait times to see a physician that are a fraction of those at a traditional hospital ER. That is significant to anyone in need of our services. We look forward to working with BAHEP toward the health and growth of the region.”

Elite Care is proud to be one of the first Free-Standing ER’s in the area, having just celebrated our 7<sup>th</sup> anniversary. Elite Care 24-hour ER in League City accepts most commercial insurance and offers a patient advocate to help answer insurance and billing questions.

Elite Care 24/7 ER – League City is located at 2530 Gulf Freeway South on the I-45 feeder road at the FM 646 exit. For further information, call 281.337.7500 or visit [www.elite24er.com](http://www.elite24er.com) or <https://www.facebook.com/ECERLeagueCity/videos/1713693285410973/>.
