BAHEP welcomes Elizabeth Quigley Insurance

BAY AREA HOUSTON, TEXAS – Insurance is a means to protect yourself from financial loss. There are many, many types of insurance, and they can often save an individual, a family, or a business from financial disaster.

Elizabeth A. Quigley, owner/agent for Elizabeth Quigley Insurance, has years of insurance experience helping her clients prepare for the unknown. She has recently joined the Bay Area Houston Economic Partnership.

BAHEP President Bob Mitchell said, “When Elizabeth joined BAHEP, she and I had a long discussion about health insurance. I was impressed by her in-depth knowledge and ability to translate complicated health and life insurance options into language that we could all understand. Her enthusiasm for her work and for the region will be an asset to the organization.”

Quigley noted, “I really appreciate the time that I spent with Bob and Harriet Pilgrim, membership director, learning about BAHEP’s work in the region. Time is a most precious commodity, but I always take the time to build a relationship with my clients in order to understand their needs. It seems that BAHEP and I have this in common, and I look forward to getting involved in BAHEP’s efforts to grow and assist the businesses and industry in Bay Area Houston and beyond.”

Quigley is an independent agent writing for over 30 companies giving her the ability to search the market place to find the products that meet her clients’ needs. These products include:

- Life Insurance
- Annuities
- Long Term Care
- Hybrid Long Term Care

- Medicare Advantage
- Medicare Supplements
- Medicare Part D
- Health Insurance

Her clients range from people who are transitioning into retirement to companies that need benefit plans to key managers of companies who need life policies for business loans.

Quigley noted, “I have been helping people prepare for life’s unexpected for many years. I understand the needs of people as they age. By having the correct products in place, everyone can grow old with dignity and grace. By analyzing my clients’ insurance needs, I can get them covered quickly at the right price.”

She also believes in giving back to her community and is a member of St. Bernadette Catholic Church, Space Center Rotary, Clear Lake Area Chamber of Commerce, and League City Regional Chamber of Commerce in addition to BAHEP.
