## **BAHEP welcomes Media Riders, Inc., a staffing services company**

**BAY AREA HOUSTON, TEXAS** – Media Riders, Inc. (MRi), a woman-owned, certified small business enterprise founded in 2002, provides staffing services in a subcontracting capacity to large prime contractors in support of their federal, state, and commercial customer requirements. For more than 15 years, MRi’s 350-plus employee organization has supported system integrators with a wide variety of labor categories including, but not limited to, engineering, IT, security analysts, quality assurance, scientists, program management, supply chain/procurement, finance and accounting, and marketing/public relations among others.

Bob Mitchell, president of Bay Area Houston Economic Partnership, welcomed Media Riders, Inc., to the organization saying, “Bay Area Houston prides itself in the ability to meet the workforce needs of our regional industry. Media Riders, Inc., has a well-established history of providing skilled personnel to meet the growing requirements of its numerous clients. The company is a great addition to BAHEP membership.”

Douglas M. McReaken, MRi’s chief operating officer, represents the company within BAHEP. He said, “We provide staffing services to a number of companies, including many that support NASA JSC. Since several of them are members of BAHEP, we have heard of the great work the organization does in support of the region. We feel that it’s important to contribute to that initiative in any way we can; so, joining BAHEP is not only a good business decision but also an excellent way to support the community.”

McReaken explained that MRi’s agency end-customers include the Transportation Security Administration (TSA), Department of Homeland Security (DHS), U.S. Citizenship and

Immigration Services (USCIS), Department of Defense (DoD), State of Texas and many others through commercial clients such as Xerox, Lockheed Martin, Hewlett-Packard (HP), Accenture, AT&T, PAE Systems, and more. Through its long support of these various agencies and prime contractors, Media Riders has a past performance reference for just about any type of Statement of Work (SOW) being performed at the Johnson Space Center and local area private industry.

Media Riders, Inc., is headquartered at 2010 E. Broadway in Pearland, TX, with offices in Houston, Austin, San Antonio, Dallas/Fort Worth, El Paso, Lubbock and Round Rock, TX. For additional information, visit [www.mediariders.com](http://www.mediariders.com) or call 832.533.3313.
