- *Ranked #1 in Texas for Overall Critical Care*
- *Ranked Among the Best (#4) in Texas for General Surgery*
- *Best Rated in the Houston Surrounding Area for Spine Surgery*
- *Only Hospital in Houston Surrounding Area to be Ranked Among the Top 5% in the Nation for Overall Pulmonary Services*

Smoke Free Facility - Effective September 4, 2007, Bayshore Medical Center and surrounding campus will be a totally smoke free facility in support of the City of Pasadena city ordinance.

SafePass Visitor Security System and Visitation Policy - Effective July 2, 2007, Bayshore Medical Center installed a visitor security system to enhance overall security in our facilities, and a Patient Visitation Policy to promote an environment of safety and healing for our patients.

▪ **Mission**

Above all else, we are committed to the care and improvement of human life. In recognition of this commitment, we strive to deliver high quality, cost effective healthcare in the communities we serve. In pursuit of our mission, we believe the following value statements are essential and timeless.

- We recognize and affirm the unique and intrinsic worth of each individual.
- We treat all those we serve with compassion and kindness.
- We act with absolute honesty, integrity and fairness in the way we conduct our business and the way we live our lives.
- We trust our colleagues as valuable members of our healthcare team and pledge to treat one another with loyalty, respect and dignity.
