## Cypress Bay Waterfront Community and Marina Bay Village Shopping Centre join BAHEP

**BAY AREA HOUSTON, TEXAS** – Nestled in League City, Cypress Bay Waterfront Community and Marina Bay Village Shopping Centre have become the newest members of the Bay Area Houston Economic Partnership.

BAHEP President Bob Mitchell stated, “Cypress Bay and Marina Bay add to the quality of life in the region. They both enhance the image of the community, which plays an important role in economic development as site selectors take this into consideration when scouting prospective locations for their clients.”

Cypress Bay Waterfront Community is a place of charm and romance that echoes back to the lifestyle of southern Italy at that special location where land and water meet. Located on FM 2094 halfway between South Shore Harbour Resort and Conference Center and Kemah, Cypress Bay has connections by land and water to all bay area destinations. Large waterfront lots are available.

The upscale Marina Bay Village Shopping Centre is located between South Shore Harbour, Marina Del Sol, Cypress Bay and Waterford Harbour. It provides a central location for businesses, which can be accessed by car or boat.

Teresa and Nick Scotto represent Cypress Bay and Marina Bay within BAHEP. Teresa commented, “It’s important to us to be involved in the community so that we can prosper and grow together. I can think of no better way to do that than to become members of BAHEP, which is highly regarded for its work in regional economic development.”
