Harris County

What's in it for the educational institutions & the county?

- Opportunity to develop new sources for products and services.
- Provide local businesses with more opportunities to win business.
- Broaden competition and get best value for local taxpayers.

What's in it for you?

- Learn about new business opportunities with local school districts that serve over 100,000 total students, local colleges, and Harris County.
- Hear first hand about each organization's current needs and how to do business with them.
- An opportunity to build working relationships with buyers and get to know them face-to-face.
