K-Mar Joint Venture joins BAHEP

BAY AREA HOUSTON, TEXAS – K-Mar Joint Venture, a full-spectrum provider of visual information and information technology services, has joined the Bay Area Houston Economic Partnership. Bob Mitchell, BAHEP president, stated, “The K-Mar Joint Venture team has over 100 years of combined experience in providing service to the NASA community. I look forward to working together in support of NASA/JSC, a cornerstone of the region’s business community.”

The K-Mar Joint Venture team is comprised of K-Mar Industries Inc., Rothe Development Inc., and Rohmann Services Inc. The company’s portfolio of visual information services includes multimedia production, graphic design and illustrating, television and video production, photographic services and video teleconferencing, and more. Additionally, K-Mar Joint Venture offers enterprise architecture development, help desk administration, IT security services, and a host of other information technology services.

James E. Williams, vice president, K-Mar Joint Venture, noted, “Our primary focus is on providing exceptional products and services to the NASA and Department of Defense communities. BAHEP offers excellent networking opportunities with people and companies who are strong advocates for aerospace. Their teamwork has had a very positive impact on the growth of this community, and we certainly want to contribute to this in any way we can.”

K-Mar Joint Venture is located at 920 Gemini St. in Bay Area Houston. More information on the company can be found at www.kmar-jv.com.
