South Shore Harbour Country Club joins BAHEP

BAY AREA HOUSTON, TX – The Bay Area Houston Economic Partnership has added South Shore Harbour Country Club to its membership roster. SSHCC is located at 4700 South Shore Boulevard in League City, Texas.

Bob Mitchell, BAHEP president stated, “South Shore Harbour Country Club is a beautiful facility that offers numerous benefits for its members, and it features the first 27-hole private championship golf course in the Bay Area. We are very pleased to include South Shore Harbour Country Club as the newest member of our organization.”

Golfers are offered two putting greens, a chipping green, a sand bunker, and an oversized driving range on which to practice. Dining facilities include the Main Dining Room, the Private Dining Room and Grille that are available upon request. The Board Room is also available for conducting business meetings. Included in a membership are dining privileges at the beautiful Harbour Club located in the South Shore Harbour Resort. As a private/resort club, guests of the South Shore Harbour Resort have limited golfing privileges, which facilitates keeping dues at a reasonable rate with very minimal annual increases when applicable.

Eric Froeschner, the club’s membership director and project manager, stated why it was important for South Shore Harbour Country Club to join BAHEP. He said, “Bay Area Houston Economic Partnership has a well-known reputation for accomplishment in terms of helping the region to grow while maintaining a great quality of life. We want to contribute to the community, and we felt that joining BAHEP is the best way to do this.”

South Shore Harbour Country Club offers many social functions throughout the year, as well, including both golf and social events. Some of these functions include dinner theaters, dinner dances, lunch with Santa for the children, the annual Governor’s Ball and a New Year’s Eve Party. Numerous golf tournaments are held throughout the year with a variety of formats. During the summer months, the club offers twilight leagues for both the ladies and the men, and couples’ tournaments are held throughout the year. For the children, junior golf clinics are offered for various age groups during the summer months. For the more experienced young golfers, a junior golf academy is available.
