The Admiral on Clear Lake joins Bay Area Houston Economic Partnership

BAY AREA HOUSTON, TEXAS – The Admiral on Clear Lake is an exclusive waterfront venue, offering a sweeping 360-degree view of Clear Lake, which is an excellent backdrop for any event.

“The Admiral is centrally located within Bay Area Houston. This is an important element for both corporations and private individuals to take into consideration when planning events. We welcome The Admiral as an excellent addition to our membership,” stated Bob Mitchell, president of the Bay Area Houston Economic Partnership.

Jody Torrence is president of The Admiral on Clear Lake, and he commented, “We are excited about joining BAHEP. With our venue, great business is built upon a unique location, fantastic service, and steadfast relationships. In working together with the other BAHEP members, I hope to further these relationships as we strive to improve the quality of life in the region.”

Torrence noted that The Admiral is an ideal setting for weddings and receptions as well as holiday parties, corporate and school events, church functions, or any occasion where his clients want an unforgettable experience. The venue can comfortably accommodate groups with up to 300 guests, and the helpful and experienced event planning staff can assist with all of the tedious details associated with planning events both large and small.
