BAHEP welcomes Bay Area Commercial Real Estate Network

BAY AREA HOUSTON, TEXAS – The Bay Area Commercial Real Estate Network (BACREN) is a non-profit professional organization formed to serve commercial real estate practitioners, associated businesses, investors, and the public of the Bay Area Houston area, including, but not limited to, Harris, Galveston, and Brazoria counties.

Bob Mitchell, president of the Bay Area Houston Economic Partnership, welcomed BACREN to membership in the organization saying, “Networking is an integral part of every successful business today, and BACREN is so good at doing just that. We welcome the BACREN members and look forward to networking together.”

BACREN President Wayne Rutledge commented, “Everyone in this region knows how effective BAHEP has been in its many initiatives. That has a big impact on commercial real estate in the area. We want to work with BAHEP to ensure that this market segment remains healthy and grows along with the region.” Longtime member, Rosebud Caradec will serve as the BAHEP liaison for BACREN.

Rutledge recognized major partners of BACREN including Capital Title of Texas, ICON Bank, IBC Insurance Agency, Members Choice Credit Union, Phase Engineering, Inc., Pinnacle Sign Company, Separation Systems Consultants, Inc. (SSCI), South Land Title Company, and South Texas Surveying Associates, Inc.

Members of BACREN network mainly through text, email, and on the phone, but they gather formally on the third Thursday of each month at Lakewood Yacht Club in Seabrook, except in December.

Rutledge stated that the network, its members and associates have dedicated themselves to the following purposes:

- Promoting a commercial real estate networking system that will enhance and improve the professionalism and careers of our members.
- Recognizing and supporting a high standard of ethical conduct, both as individuals and as an association.
- Rendering of assistance to the various people and organizations that we serve, thereby helping to further the course of education and professionalism in the commercial real estate business.
- Providing quality continuing commercial real estate oriented education for the membership.
- Developing mutual trust and confidence among the members and between the government, the members, and the community.
- Providing networking, education, and fellowship to members that will assist them in being the best they can be.
- Educating the public and commercial investment community on real estate matters of interest, relevance and concern to them, and helping our members improve their quality of life.
- Providing financial assistance to worthwhile charitable organizations within the budgetary constraints of the organization.
