## **BAHEP welcomes PABULUM Consulting, LLC**

**BAY AREA HOUSTON, TEXAS** – PABULUM Consulting, LLC, provides exceptional expertise and services in security, information technology, management support and administrative services. PABULUM is an SBA 8(a) and Service Disabled Veteran Owned Small Business (SDVOSB) organization with headquarters in Houston, Texas. The company is the newest member of the Bay Area Houston Economic Partnership.

“Everyone’s quality of life depends heavily on feeling safe and secure at home, at work, and at leisure. PABULUM Consulting, LLC, has extensive federal and military experience in a range of services provided to federal, state and local governments, as well as commercial businesses. These services are essential in today’s environment, and we welcome PABULUM to our membership,” stated Bob Mitchell, BAHEP president.

Ferrel C. (F.C.) Bonner is president and CEO of PABULUM Consulting, LLC, and is a Gulf War veteran and retired military professional. He said, “Safety and security are top priorities for people, businesses and industry. We at PABULUM tailor each of our services to meet the complex needs of our clients. BAHEP is a well-known organization within the region, and we look forward to networking with other members and becoming involved in BAHEP’s initiatives.”

Bonner stated that PABULUM’s greatest focus is information technology security, cyber security and intelligence analysis, disaster response planning and support, and supporting a variety of institution and program management requirements and providing administrative services including external relations and human resources.

PABULUM provides specialists, administrative staff, technology and security project and management teams to: implement security recommendations, security training, disaster/emergency response support

and training, special operations support, intelligence support, staff augmentation, HR support and technical expertise in the following areas:

- Intelligence Analysis
- Communications Network
- IT Infrastructure and Cyber Security
- Information Security (INFOSEC)
- Physical Security (PHYSEC)
- Security Assessments & Private Security
- Security-Education-Training-Awareness
- Security Investigations and Analysis
- Disaster Response & Emergency Management
- Special Operations
- Program & Institutional Management
- External Relations & Public Affairs

PABULUM Consulting, LLC, is located at 1002 Gemini Street, Suite 225D, Houston, Texas 77058.
