Texas First Bank appropriately first to join BAHEP in new year

BAY AREA HOUSTON, TEXAS – “It’s always great to begin a new year with a new member, and Texas First Bank has become BAHEP’s first member of our 40th anniversary year. We welcome this locally owned community bank and look forward to working together to serve the region,” stated BAHEP President Bob Mitchell.

Founded in 1973, Texas First Bank has 17 locations in the Bay Area, East Houston and Galveston areas. The entire organization includes Southland Title and Rust, Ewing, Watt, Haney & Sullivan Insurance, Inc. The Small Business Administration (SBA) lending department in the League City and Pasadena offices will actively participate in BAHEP. Texas First Bank provides financing and business solutions to commercial entities with revenues under \$250,000,000, as well as large home builders.

Wendy E. Ghormley, Vice President – SBA lender at Texas First Bank in Pearland, will represent Texas First Bank within BAHEP. She commented, “Bay Area, East Houston and Galveston are experiencing tremendous growth, and BAHEP has certainly been involved in many aspects of that. Texas First Bank hopes to participate in the success of the region by engaging in BAHEP’s efforts and also by financing commercial projects thereby stimulating economic development in the region.”
